WHO WE ARE... WHY RISKMAP?

ABOUT US

- Riskmap is an organisation of member firms devoted to client service excellence. Member firms offer wide range of services in the field of risk management, Strategy and governance.
- Has alliance with global firms in the United States of America and India
- Managed by experienced professionals with experiences in various industries.

VALUE PROPOSITION

- You get quality advisory, normally delivered by large consulting firms, at fee levels charged by independent & small firms.
- High quality deliverables
- Multi-skilled & multi-disciplined organisation
- timely completion of any task
- Affordable alternative to large firms

VISION

Be the global leader in risk management consulting.

MISSION

Become the dominant player in risk consulting services and provision of cutting-edge solutions to preserve an organisation and protect shareholder value.

DIFFERENTIATORS

- Risk management is our main focus
- Over 100 years of cumulative experience
- Hybrid Delivery model
- Ability to take on large and complex projects based on delivery capabilities
- We hold hands, not shake hand.
